Caption: United States District Court for the district of Puerto Rico The financial oversight and management board for Puerto Rico Debtors: The commonwealth of Puerto Rico, et al Promesa Title III no. 17 BK3283- LTS for opposing Reasons.

Respectable Lords: Law 89 granted a pay increase to teachers under the government of the Bachelor Carlos Romero Barceló that I never received. I worked for many years and retired from the Magisterium and did not receive such an increase. For this reason, it is being requested. From 1989 to 2013 in which I retired I stopped accruing the amount of approximately \$30,000. That number I get by multiplying \$100 a month in increase for all the years I worked as a teaching staff in the Puerto Rico Department of Education.
